

## HIV Point of Care Testing Training

### ACKNOWLEDGEMENTS

The face-to-face course materials and online modules were developed in 2013 and reviewed and updated in 2015 with the help and input of a working group which was formed with:

- Phillip Keen, Kirby Institute
- Philip Cunningham, St Vincent's Centre for Applied Medical Research
- Sue Best, NRL
- Mark Shephard, and Paula Runnals

The training modules were then piloted in collaboration with the Kirby Institute's NSW Rapid HIV Testing Evaluation Framework, of which Phillip Keen is the coordinator.
