# Sexual & Reproductive Health Fundamentals for Pharmacists

Fundamentals of Sexual and Reproductive Health in Pharmacy Practice has been designed to help pharmacists and pharmacy staff navigate sensitive conversations about sexual and reproductive health, especially in less private settings. This webinar is interactive and delivered by experienced pharmacists and sexual and reproductive health professionals who know what it takes to navigate these situations confidently and sensitively.

## Dates and Times:

Part 1: Wednesday, 05 June 2024 | 7:00pm – 8:30pm (AEST)

Part 2: Wednesday, 12 June 2024 | 7:00pm – 8:30pm (AEST)

Virtual Attendance: Online

*Please note that full attendance of both live sessions is mandatory for a statement of attendance to be issued.*

## Target Audience

Pharmacists, Pharmacy Students, Pharmacy Technicians, Pharmacy Assistants and Pharmacy Managers. Please note, this is not limited to community pharmacy settings.

## Speakers

- **Cherie Bennett**, Clinical Nurse Specialist and Medical Educator, Sydney Sexual Health Centre and ASHM
- **Sara Yeganeh**, Advanced Sexual Health and HIV Pharmacist Metro North Sexual Health and HIV Service
- **Dr Karen Freilich** GP at Arlie Women's Clinic, Monash Sexual Medicine & Therapy Clinic, Tutor in Sexual Health at University of Melbourne

## Learning Outcomes

- Explain the importance of using effective, inclusive and non-judgmental language when discussing sexual and reproductive health
- Discuss considerations when counselling for contraception and unintended pregnancy
- Outline appropriate referral pathways to support patient's sexual and reproductive health
- Propose strategies to improve access to sexual and reproductive health in pharmacy
