Developing a sustainable HIV,
viral hepatitis & sexual health workforce

Beyond the C – Educational Webinar

Join us in working towards the elimination of hepatitis C in Australia by 2030. This is an educational opportunity available to participants in Beyond the C and other SA-based primary healthcare workers.

The webinar will cover an introduction to hepatitis C, including testing, treatment initiation, ongoing surveillance and monitoring, and a summary of hepatitis C clinical auditing and case-finding concepts in primary care.

Date, Time & Venue:

Date: Thursday, 23 May 2024

Time: 6:30pm – 8:30pm (ACST)

Virtual Attendance: Online - Teams

Target Audience:

Beyond the C participants, GPs, nurses, practice staff, practice managers, Aboriginal Health Workers and Practitioners, other primary-care providers

Speakers:

Jeff Stewart – Viral Hepatitis Nurse, *Queen Elizabeth Hospital*

Lisa Holden – Practice Nurse Advisor, *ASHM*

Jenny Grant – Education Coordinator, *Hepatitis SA*

Learning Outcomes:

- Identify priority populations for HCV screening and case finding in your practice
- Order and interpret tests appropriately to diagnose chronic HCV infection
- Describe the recommended pre-treatment assessment
- Demonstrate understanding of antiviral therapy for treatment of HCV
- Describe a process to recall patients into your practice for hepatitis C testing and care
- Identify available resources to support your practice in hepatitis C case finding
