

ASHM & SSHC CLINICAL EDUCATION & JOURNAL CLUB SESSIONS 2024

Sharing emerging updates in the HIV, BBV,
and SRH field since 2018.

About the Sessions

The Clinical Education Sessions have been run in collaboration by ASHM and Sydney Sexual Health Centre (SSHC) since 2018. The sessions provide an update on important emerging developments in HIV and STIs, discuss the applicability of results from a journal article to patient population, and give opportunities for clinicians to integrate the latest evidence on a range of clinical topics into diagnosis and management strategies in their clinical settings.

These sessions are **FREE** to attend for all to attend.
