Developing a sustainable HIV,
viral hepatitis & sexual health workforce

WA Sexual Health: Management & Care for Nurses and Midwives

Dates, Times and Venue:

Part 1: Friday, 23 August 2024 | 9:00am – 3:30pm (AWST)

Part 2: Saturday, 24 August 2024 | 9:00am – 3:30pm (AWST)

Venue: Mercure Hotel, Perth

Description

This two-day face to face training course helps nurses and midwives understand the public health aspects and clinical management of common STIs, HIV and hepatitis B. The course helps participants develop confidence in a proactive and practical approach to health care and evidence-based practice.

Target Audience

Nurses, midwives, and sexual health workers.

Learning Outcomes:

1. Describe the clinical presentation and nurse's role in managing STIs
2. Identify the priority populations for STI and BBV screening
3. Demonstrate confidence in discussing sexual health with patients
4. Describe contact tracing processes
5. Describe current HIV prevention methods

Endorsements and CPD:

This training is endorsed by ACN according to our Continuing Professional Development (CPD Endorsed Course Standards). It has been allocated 9.5 CPD hours according to the Nurse and Midwifery Board of Australia – Continuing Professional Development Standard.

This activity is endorsed by ASHNA. Australian College of Midwives CPD Endorsed Activity.

This activity has been endorsed by APNA according to approved quality standards criteria. Completion of these educational activities entitles eligible participants to claim 9.5 CPD hours
