Description

ASHM is pleased to announce that the third annual Hepatitis B Prescriber Forum will be held online on Friday 28th of March 2025.

Target Audience

Hepatitis B s100 GP and NP Prescribers, Sexual Health Registrars and Physicians, Infectious Diseases Trainees and Physicians, and medical practitioners who are interested in prescribing Hepatitis B s100 medication and managing patients living with hepatitis B.

Learning Outcomes

- Describe barriers to accessing hepatitis B management, treatment, and linkage to care
- Evaluate hepatitis B patients' suitability for monitoring and treatment
- Develop guideline-based approaches for managing patients with hepatitis B, referring to both clinical and community-facing resources
