QLD Sexual Health Nursing: Working with Young People

Date: Tuesday, 28 January 2025

Time: 9:00am – 5:30pm (AEST)

Venue: Robina Events Centre, Gold Coast, QLD

Description

This course will focus on educating nurses to support young people to make healthy choices regarding their sexual health. It will provide an overview of STIs and BBVs and their mode of transmission, as well as pathways available for young people to access services for their sexual healthcare needs.

Target Audience

Nurses, NPs, Midwives

Speakers

Helen Cootes, Clinical Nurse, Gold Coast Sexual Health
Clinton Morgan, Nurse Practitioner, West Moreton HHS

Learning Outcomes

- Demonstrate an understanding of the range of normal development for young people and the social determinants of health
- Describe common STIs and BBVs and their mode of transmission for all young people in Australia
- Apply resources and strategies to enhance communication with young people to improve their sexual health and wellbeing
- Analyse and consider innovative pathways for young people to access services for their sexual health care needs
