

# NSW & ACT Hepatitis B s100 Prescriber Course

## Date & Time:

Part 1: Thursday, 23 October 2025,  
6:30pm – 7:30pm (AEDT)

Part 2: Thursday, 30 October 2025,  
6:30pm – 8:30pm (AEDT)

**Suitable for:** General Practitioners, Nurse Practitioners, other community based medical practitioners based in NSW and ACT.

**Location:** Online - Zoom

## Learning Outcomes

Through online learning and virtual teaching, participants will learn to:

- Outline the critical role of primary care in the diagnosis, management and treatment of people living with chronic hepatitis B
- Plan long-term care, including guideline-based monitoring and hepatocellular carcinoma screening, for patients with chronic hepatitis B
- Select and prescribe first-line antiviral treatment when clinically indicated
- Identify situations where specialist advice or referral is required
- Integrate principles of person-centred and culturally competent care into hepatitis B management

## Featured speakers

- **Dr Caran Cheung** - experienced HBV s100 community prescriber, Mascot Medical
