

WA HIV s100 Prescriber Course

Date: Saturday, 07 February 2026 – Sunday, 08 February 2026

Time: 6:30pm – 8:30pm (AEDT)

Location: Perth, Venue TBD

Suitable for: General Practitioners and Nurse Practitioners seeking HIV s100 prescribing rights, as well as tertiary-level clinicians looking to strengthen their knowledge in HIV management.

ASHM's HIV s100 Prescriber Course is free for eligible practitioners and equips participants to apply for authority to prescribe section 100 HIV medications in primary healthcare settings.

Course Components

Pre-requisite Online Modules:

- Clinical Foundations of HIV
- Clinical Extensions of HIV

The course will be delivered over **two full days** and will include didactic presentations on HIV management, complemented by case studies to consolidate learning.

Featured speakers

- **A/Prof Lewis MacKinnon** | Director and Principal Doctor, Skye Medical
- **Dr Claire Italiano** | Infectious Diseases Physician, Royal Perth Hospital
