Beyond the

Hepatitis C in Primary Care and Case Finding

**Date:** Tuesday, 3 March 2026**Time:** 6:00 pm – 8:00 pm ACDT**Location:** Online - Microsoft Teams

Suitable for: General Practitioners, Nurse Practitioners and other practitioners prescribing or intending to prescribe s85 direct-acting antiviral medication for HCV in primary care settings in South Australia.

Primary care providers are key to achieving hepatitis C elimination in Australia by 2030. A collaboration between Hepatitis SA and ASHM's national hepatitis C case finding project Beyond the C, this course supports participants to confidently diagnose, assess, manage, and treat hepatitis C, with an introduction to clinical auditing and case finding in primary care.

CPD & Endorsement

Endorsement is currently pending. This activity may be suitable for self-claiming CPD hours with your professional body. An estimated equivalent of 1.5 Educational Activity CPD hours applies.

**RACGP** CPD Provider

This organisation is an RACGP-accredited CPD Provider under the RACGP CPD Program
