

# Curing Hepatitis C in Primary Care

**Date:** Thursday, 28 May 2026

**Time:** 6:00pm – 8:00pm AEST

**Location:** Online - Zoom

**Suitable for:** General practitioners, nurse practitioners, other practitioners prescribing or intending to prescribe s85 direct-acting antiviral medication for HCV in primary care settings in Australia. Nurses involved in the assessment and work-up of patients for treatment are also encouraged to attend.

Increasing HCV treatment in primary care is crucial to achieving HCV elimination in Australia by 2030. This course aims to empower general practitioners, nurse practitioners and other prescribing practitioners with the skills and confidence to diagnose, assess, manage, and treat HCV in primary care.

Training delivery utilises a blended learning approach with expert-led presentations and facilitated case discussions delivered by specialists, General Practitioners, Nurse Practitioners and Peer/Lived Experience workforce with expertise in HCV management and treatment.

## Featured speakers

- **Dr David Baker** - General Practitioner | East Sydney Doctors
- **Hayley Thompson** - Nurse Practitioner | QulHN
- **Esha Leyden** - Peer Harm Reduction Coordinator | QulHN
