

PrEP in Practice: The Role of Primary Care in HIV Prevention

Date: Thursday, 12 March

Registrations: from 5:30pm
Event Time: 6:00pm - 7:30pm
(ACDT)

Location: SHINE SA, 64c Woodville Road, Woodville, 5011

Suitable for: GPs or NPs, since it is prescriber focused, but open to nurses or any others interested

Join us in **Adelaide** for a free, practical, and interactive session designed for GPs and nurse practitioners working in primary care. **Dinner provided!**

Together, we'll explore the vital role you play in preventing HIV transmission and supporting patients to make informed choices about HIV prevention.

Learning Outcomes

1. Describe HIV epidemiology and the different HIV prevention strategies
2. Provide patient education on the effectiveness and appropriate use of PrEP and nPEP
3. Implement the PrEP Decision-Making Tool to manage patients on PrEP
4. Explain different options for PrEP dosing, including daily and on-demand
5. Identify the prescribing pathways of PrEP within your local jurisdiction

Featured speakers

- **Dr Natnalie(Nat) Masli | General Practitioner / Sexual Health Doctor| SHINE SA**
- **Dr Timothy Bromley | Sexual Health Physician | Adelaide Sexual Health Centre**
