# Train the Trainer Program for PEP and Emergency Contraception in Acute Settings

**Date:** Tuesday 31st March 2026

**Suitable for:**

Health professionals working in acute settings.

**Time:** 6:30pm – 8:30pm AEDT

**Location:** Online - Microsoft Teams

Enhance your clinical confidence and teaching skills in acute and urgent care settings. This Train the Trainer program equips GPs and nurses with the latest evidence-based approaches to HIV Post-Exposure Prophylaxis (PEP) and Emergency Contraception, plus the tools to train colleagues in your workplace.

## Featured speakers

- **Susannah Ramshaw**- Registrar in Sexual Health Medicine, Sydney Sexual Health Centre
- **Aajuli Shukla**- General practitioner and urgent care doctor at Myhealth Rosehill and urgent care clinic Carlton

## Learning Outcomes

Learning outcomes are currently under development.

## More information

M: 0431 320 429
