

# National Hepatitis C for Nurses and Midwives

**Date:** Tuesday, 21 April 2026

**Time:**

- 5:00pm – 8:00PM (AEST)
- 4:30PM – 7:30PM (ACST)
- 3:00PM – 6:00PM (AWST)

**Suitable for:** Nurses and midwives working across various health sectors.

**Platform:** Online via Zoom

This free training course provides nurses and midwives with the knowledge and confidence to increase screening and management of hepatitis C in primary care settings. We welcome those working in general practice and other primary care settings, hospital settings, Correctional settings, Drug and Alcohol services, Sexual/reproductive health services and Aboriginal Community-Controlled Health Organisations.

## Featured speakers

- **Hayley Tompson** | Nurse Practitioner | QulHN
- **Associate Professor Angela Brown** | Program Director - Midwifery | *Adelaide University*
- **Colleen Webster** | Hepatology Clinical Nurse Consultant
- **Pete Townsend** | HCV Peer Educator | Hepatitis WA
- **Michael Brown** | Registered Nurse | DASSA

## Learning Outcomes

1. Identify when testing/screening for HCV is indicated.
2. Interpret HCV test results.
3. Discuss required pre-treatment assessments for HCV.
4. Determine which HCV treatment, monitoring and follow-up required.
5. Examine the role of the nurse and midwife in models of care for HCV testing, treatment and follow-up.

*This activity will be equivalent to total 3 CPD hours with ACN, ACM, and APNA. See website below for more details*
