

SEXUAL HEALTH CLINICAL UPDATE SERIES 2026

Sharing emerging updates in the HIV,
BBV, and SRH field since 2018.

About the Sessions

The Sexual Health Clinical Update Series (formerly the ASHM/Sydney Sexual Health Centre Clinical Education Series) has been run in collaboration by ASHM and Sydney Sexual Health Centre (SSHC) since 2018.

These sessions provide updates on important emerging developments in HIV and STIs, offering clinicians opportunities to integrate the latest evidence into diagnosis and management strategies in their clinical settings.

These sessions are **FREE** to attend for all.

Session Details:

- **Dates:** 1st & 3rd Wednesday of each month starting 15 April
- **Clinical Education Session:** 9:30am - 10:30am Sydney-local time
- **Location:** Online via Zoom or at Sydney Sexual Health Centre in the Tea Room
