

# QLD Hepatitis C for Nurses and Midwives

 Saturday, 9 May 2026

Rydges South Bank Brisbane  
9 Glenelg Street, South Brisbane,  
QLD 4101

 10:00am - 1:00pm (AEST)

 Suitable for nurses, nurse practitioners and midwives.

This course will provide nurses and midwives with the knowledge and confidence to increase screening and management of hepatitis C in primary care settings.

Nurses and midwives working in varied service settings, including primary care, correctional settings, drug and alcohol services, sexual health services and Aboriginal Community-Controlled Health Organisations are welcome to attend.

## Endorsement & CPD

*This training is endorsed by ACN according to our Continuing Professional Development (CPD) Endorsed Course Standards. It has been allocated 3 CPD hours according to the Nursing and Midwifery Board of Australia – Continuing Professional Development Standard.*

*This training is an Australian College of Midwives CPD Endorsed Activity.*

*This activity has been endorsed by APNA according to approved quality standards criteria. Completion of these educational activities entitles eligible participants to claim 3 CPD hours.*
