

Nomination form - ASHM Board of Directors

ASHM Health is seeking nominations from members interested in contributing to the strategic leadership and governance of the organisation through service on the Board of Directors. As ASHM continues to grow and evolve, we are looking to strengthen the breadth of skills, experience and perspectives represented around the board table. We welcome applications from members with expertise in areas such as governance, finance, clinical practice, public health, education, digital innovation, strategy, advocacy and stakeholder engagement.

ASHM is committed to building a diverse, inclusive and high-performing Board that reflects the communities, professions and regions we serve. We encourage nominations from members of different backgrounds, career stages, disciplines, cultures, genders, orientations and geographic locations. By bringing together a broad range of experiences and viewpoints, we can better support ASHM's mission, enhance decision-making and ensure the organisation remains responsive to the needs of its members and the wider health sector with gold standard governance framework.

Existing board members (not up for re- election now or co-opted) who will continue serving the ASHM Board from Nov 2026 are:

- Prof Ben Cowie (ASHM President)
- Hilary Crilly (Treasurer and Independent/co-opted Director) – term ending first half of 2027.
- Dr Mark O'Reilly
- Dr James McMahon (immediate past president and co-opted Director)

ASHM is seeking to fill a further **five Board positions** in this call with at **least one** of these five reserved for an Aboriginal or Torres Strait Islander person.

ASHM has provided a guide to help frame your nomination in four sections based on skills and experience in the nomination form. We invite members to provide this detail to support their nomination, however ASHM does not expect experience in all four sections, rather this can support formation of a board skill set to appropriately govern the organisation.

I _____ being a financial voting member of ASHM Health,
accept nomination to join ASHM Health's Board of Directors as an ordinary Director.

Signature of nominee: _____

Section 1: Governance and Board Experience

In the text box below, please write a summary statement in support of your nomination, including a brief bio and the relevant qualifications and experience you would bring to the role relevant to organisational governance and organisational risk, this includes any financial, people and culture or legal skills.
