

# Advanced Trainee HIV s100 Prescriber Course

**Dates:**

Every Thursday between 22 October and 12 November 2026 (4 sessions)

**Time:** 7:30pm - 9:30pm AEDT**Suitable for:** Hospital-based Health Care Professionals seeking HIV s100 prescribing rights or as a requirement to become Sexual Health or Infectious Disease physicians**Location:** Online (National)

For the first time, ASHM is running a HIV s100 prescriber course just for hospital-based advanced trainees.

ASHM's Advanced Trainee HIV s100 Prescriber Course will be delivered online over four two-hour live facilitation sessions, with online pre- and post-course activities.

This course provides comprehensive training in the science of HIV, current pharmacology, monitoring and treatment, and the complicating factors surrounding HIV management. Through case discussions and facilitated group work, attendees will have an opportunity to discuss practical strategies with peers and specialists.

Upon successful completion of this training and the associated case assessment, **eligible participants may apply to the relevant state departments of health for authority to prescribe Section 100 (s100) drugs for the management of HIV** in Australia.
