The 2026 HIV s100 Prescriber & Clinical Care Forum is an opportunity to explore emerging areas of HIV treatment and management and to discuss contemporary issues in HIV clinical care in Australia. Held over three sessions, each session will cover a distinct area of HIV clinical care, highlighting current developments and expert insights.

HIV s100 Prescribers will be awarded 2 Prescriber Points for live attendance per session.

ASHM is an RACGP-accredited CPD Provider under the RACGP CPD Program. This activity can be self-claimed for up to 3.5 hours. A statement of attendance will be provided for full attendees.
