

NT Hepatitis B Prescriber Update

Date: Wednesday, 4 November 2026

Location: Online - Zoom

Time: 6:30pm – 8:00pm ACST

Suitable for: Practitioners based in NT who have previous experience and knowledge of hepatitis B

This interactive 90-minute training provides medical and nurse practitioners who prescribe HBV antiviral medications an opportunity to apply their knowledge and skills to practical case studies. Case scenarios are developed by ASHM clinical advisors or local experts to meet the identified learning needs of medical practitioners, which vary from each State and Territory.
