

# Hepatitis B Prescriber Update

**Date:** Tuesday, 24 November 2026

**Time:** 6.30pm- 8.00pm (AEST)

**Location:** Online - Zoom

**Suitable for:** Queensland based Hepatitis B prescribers

This interactive 90-minute training provides medical and nurse practitioners who prescribe HBV antiviral medications an opportunity to apply their knowledge and skills to practical case studies.

Case scenarios are developed by ASHM clinical advisors or local experts to meet the identified learning needs of medical practitioners, which vary from each State and Territory. Attendees are also encouraged to submit their own, de-identified patient cases for discussion. Please send any cases to [sarah.tran@ashm.org.au](mailto:sarah.tran@ashm.org.au) by 17 November 2026.

## Featured speakers

- **Dr Tran Le** | General Practitioner  
Richlands General Practice

## Learning Outcomes

On completion of this course and its components, participants will be able to:

- Plan guideline-based monitoring for patients with chronic hepatitis B
- Evaluate chronic hepatitis B patients' suitability for antiviral treatment
- Select and prescribe appropriate first-line antiviral medication for patients with chronic hepatitis B
