Contraceptive Counselling at the Time of Abortion Provision Webinar

Dates:
Wednesday, November 25th 2026.

Time: 7:00pm – 8:00pm (AEDT)

Location: Online - Zoom

Suitable for:
This training is for GPs, NPs, nurses, midwives, allied health, aboriginal health workers and practitioners, primary care, community health organisations, pharmacists

In collaboration with Sexual and Reproductive Health Australia, this forward-looking webinar will explore how contraceptive counselling at the time of abortion care can be reimagined through a reproductive justice lens.

Bringing together clinical and lived experience perspectives, the discussion will consider how to centre individual agency, autonomy and choice at every step of the consultation, and what this means for more person-centred, equitable and respectful abortion care.

Course Components

- One 60-minute online workshop
- Post course survey

Recommended Resources:

- Contraception essentials | ASHM Health
- Decision Making In Contraception: Consultation Essentials | ASHM Health
- Decision Making in Gender Affirming Contraception: Consultation Essentials | ASHM Health
