

Contraceptive Counselling at the Time of Abortion Provision Webinar

**Dates:**

Wednesday, November 25th 2026.

**Time:** 7:00pm – 8:00pm (AEDT)**Location:** Online - Zoom**Suitable for:**

This training is for GPs, NPs, nurses, midwives, allied health, aboriginal health workers and practitioners, primary care, community health organisations, pharmacists

In collaboration with Sexual and Reproductive Health Australia, this forward-looking webinar will explore how contraceptive counselling at the time of abortion care can be reimaged through a reproductive justice lens.

Bringing together clinical and lived experience perspectives, the discussion will consider how to centre individual agency, autonomy and choice at every step of the consultation, and what this means for more person-centred, equitable and respectful abortion care.

Featured speakers

- Carrie Van Rensburg | PhD Candidate | University of Melbourne
- Dr. Karen Freilich | GP and Sexual Medicine & Therapy Consultant | Monash Health
- Hannah Bambra | Writer, Peer Support Worker and Reproductive Health Advocate | The Abortion Project
- Catherine Bateman | Abortion, Contraception and Sexual Health Nurse | Latrobe Community Health Service

Course Components

- One 90-minute online workshop
- Post course survey
