

LGBTIQA+ Cancer Care Education Series

Dates: Running monthly from October to June. See website for details.

Time: 6:30pm - 7:30pm NSW time
• From Oct to Mar: 6:30 - 7:30pm AEDT
• From Apr to Jun: 6:30 - 7:30pm AEST

Platform: Online via Zoom

Suitable for: Anyone involved in supporting, caring for, or improving health outcomes for LGBTIQA+ people affected by cancer

Cancer outcomes are not only shaped by clinical care, but by whether people feel safe, respected, and included throughout their healthcare journey.

Join this free, eight-part webinar series designed to strengthen inclusive, affirming, and person-centred cancer care for LGBTIQA+ communities throughout the cancer journey.

Led by experts and community representatives, each session combines the latest evidence with practical guidance for improving equity in cancer care and supporting the implementation of the Optimal Care Pathway for LGBTIQA+ People with Cancer in clinical practice.

All sessions are hosted live on zoom and recorded for later viewing.

Education Sessions

View the full list of featured speakers and topics for each session on our website, and catch up on any you may have missed!

Endorsement & CPD

This activity may be suitable for self-claiming CPD hours with your professional body. An estimated equivalent of 1 CPD hours per session applies.
