

REGIONAL CAPACITY-BUILDING TRAINING:

Module 6 – M&E and Sub-Recipient Oversight

This **free** course introduces key monitoring and evaluation (M&E) principles and their role in effective program implementation and sub-recipient oversight. Participants will learn to develop an M&E framework, establish baselines and targets, track progress and use data to inform decision-making and continuous improvement. The course is delivered by ASHM and PSGDN and is supported by the UNDP Western Pacific Multi-country grant.

Who is it for? Monitoring and evaluation leads, sub-partner coordinators and project staff responsible for monitoring performance, tracking results, reporting, etc.

Certificates: Fill in a short survey at the end and get a certificate!

What you'll learn

- ✓ Develop a basic **M&E framework**, including appropriate indicators, baselines and targets to measure progress towards intended results
- ✓ Use M&E data to **track progress, assess performance and inform learning** and decision-making throughout program implementation
