Sexual Health in Primary Care

Date: Saturday, 7 Nov 2026

Time: 9:00am - 3:45pm (AEST)

Suitable for: Clinicians working in Primary Care. In particular GPs, Nurses and Nurse practitioners

Location: Wavebreak Room

Novotel Surfers Paradise

Cnr Of Surfers Paradise Blvd, Hanlan St, Surfers Paradise QLD 4217

This workshop provides primary care clinicians with the knowledge, practical skills and resources to strengthen STI screening, diagnosis and management, with a focus on priority populations. It also explores strategies for preventing HIV transmission, including the role of HIV prevention and testing, and highlights the importance of timely contact tracing and partner notification in supporting individual and public health outcomes.
